FAIRWATER FOOD CLUB

FOOD CLUB
Food On Our Doorstep

Fairwater Primary School was the first school in Wales to launch the first 'FOOD' club. To provide this club we work with Family Action and Fareshare Cymru. It is an absolute privilege to have this available for parents/carers and the wider community in our school.

'Food on our Doorstep' is aimed at providing good quality food at a low cost while reducing food waste.

How does it work?

For simply £1 per year as a membership fee families will be able to purchase a weekly food box for £3.50. The weekly food box contains a variety of foods (worth over £15).

Interested?

Simply complete a registration form and pay your member fee of £1. Registration forms are available at the school office or from the FOOD club itself. The registration forms are purely for Family Action's records.
The FOOD club is situated in the larger yard in the demountable classroom at Fairwater Primary School.
